

## The Human Body: Fearfully and Wonderfully Made! Experiment Supplies

Those items with "(kit)" next to them are contained the laboratory equipment sets that we sell. Those items with "(home)" next to them are considered household items and are not the laboratory equipment set.

### **MODULE #1**

There are no experiments in this module.

### **MODULE #2**

- Microscope (kit)
- Prepared Slide: human lung (kit)
- Prepared Slide: human stomach (kit)
- Prepared Slide: human skin (not the one with the follicles) (kit)
- Prepared Slide: human salivary gland (kit)

### **MODULE #3**

- Microscope (kit)
- Prepared Slide: human skin (not the one with follicles) (kit)
- Prepared Slide: human skin with follicles (kit)

### **MODULE #4**

- An uncooked chicken bone (preferably a wishbone or wing) (home)
- A jar with a lid (home)
- Vinegar (preferably white) (home)
- Microscope
- Prepared Slide: bone marrow, red (kit)
- Prepared Slide: human bone tissue (kit)

### **MODULE #5**

- Microscope (kit)
- Prepared Slide: human striated muscle (kit)

### **MODULE #6**

There are no experiments in this module.

## **MODULE #7**

- Microscope (kit)
- Prepared Slide: human cerebrum (kit)

## **MODULE #8**

There are no experiments in this module.

## **MODULE #9**

- Two toothpicks (home)
- A metric ruler (home)
- A person to help you (He or she should wear shorts and a tee-shirt.) (home)
- Cow's eye (kit)
- Dissection kit (kit)
- Paper towels (home)

## **MODULE #10**

There are no experiments in this module.

## **MODULE #11**

- Microscope (kit)
- Prepared slide: normal human blood smear (kit)
- Blood-typing kit (kit)
- Cow's heart (kit)
- Dissection kit (kit)
- Paper towels (home)

## **MODULE #12**

- Microscope (kit)
- Prepared Slide: tonsil (human) (kit)

## **MODULE #13**

- Microscope (kit)
- Prepared Slide: stomach (human) (kit)
- Prepared Slide: liver (human) (kit)

## **MODULE #14**

- Microscope (kit)
- Prepared Slide: lung (human) (kit)

## **MODULE #15**

- A few leaves of purple (some call it red) cabbage (home)
- A small pan with which to boil water (home)
- A stove (home)
- Two juice glasses (home)
- An eyedropper (home)
- Baking soda (home)
- A measuring  $\frac{1}{2}$  teaspoon (home)
- A tablespoon (home)
- Distilled water (available at any supermarket) (home)
- Clear vinegar (home)
- Clear soda pop (Sprite or 7-Up, for example) (home)

## **MODULE #16**

- Microscope (kit)
- Prepared Slide: testis (human)
- Prepared Slide: sperm (human)
- Prepared Slide: blood smear (human)
- Fetal pig (kit)
- Dissection kit (kit)
