

*About the author of this book:*

**GERALD GOTTLIEB's** *Adventures of Ulysses* was awarded the first Bread Loaf Writers' Conference Fellowship in Juvenile Literature. It is now an important addition to the World Landmark Series.

Before becoming a full-time writer, Gerald Gottlieb spent ten years as an editor in various New York publishing houses. He is a regular contributor to the New York *Herald Tribune* Book Review. During World War II, he saw action in 35 bombing missions as a navigator with the Eighth Air Force in Europe.

Two other books by Gerald Gottlieb, entitled *The First Book of the Mediterranean* and *The First Book of France*, have been published this year. Mr. Gottlieb and his wife recently returned from a long stay in France, and now live in New York City.

*About the illustrator of this book:*

**STEELE SAVAGE** specializes in drawing historical subjects. Among the books he has illustrated are *Mythology* by Edith Hamilton in 1943, *The Iliad*, *Rainbow Book of Bible Stories*, and *Martin Luther and Jesus of Nazareth*, both World Landmark Books.

Mr. Savage studied art at the Slade School in London and the Art Institute in Chicago. A native of Michigan, he now makes his home in New York City.
