

# *Unlocking the Mysteries of Creation*

*Premier Edition*

**By Dennis R. Petersen**

## **TABLE OF CONTENTS**

### **Section 1 - Unlocking the Mysteries of the Early Earth**

Discovering What's True about Origins

How important is the biblical concept of creation?

How is your computer programmed?

What should our attitude be as we study the creation around us?

What really happened "in the beginning" according to the Bible?

The Creation of Water

Changing the Form and Filling the Void

How long were each of the days of creation?

What are the implications of the origins controversy?

How good is "very good?"

What is this "water above the firmament?"

Does evidence tell of a very different early Earth?

How do bones of giant animals help us know about Earth's original environment?

What other conditions would make a "very good" Earth?

What's the myth behind the ozone depletion scare?

The food of the "very good" Earth?

What was the dry land like in the beginning?

The Creation of Plants

When did it all begin?

What do processes in nature tell us about Earth's age?

Where's all the dust?

What does the land show us about the beginning?

Can living things verify Earth's age?

What other systems declare the earth is young?

Do changes in our planetary neighborhood tell us more?

What can we learn from the universe about its origin?

Are radiometric dating methods reliable?

Is carbon-14 testing reliable?

Do radiometric dates verify the "approved" geologic chart?

Can the rock layers of the earth be interpreted another way?

Is there a gap of time in Genesis?

How devastating was the Genesis flood?

## **Section 2 - Unlocking the Mysteries of Evolution**

The Roots of Evolutionary Faith

Can good science embrace bad theory?

Fallacy #1 - "It all started with a big bang"

Fallacy #2 - "Time: the magic factor"

Thermodynamics and the Bible

Fallacy #3 - "Random chance produces all complexity of living things"

If you believe in design by chance, it's not because of the evidence

Fallacy #4 - "Non-living matter produced life"

The Complexity of the Single Cell

Inventions by design or flukes of Mother Nature?

Fallacy #5 - "Simple forms develop into complex forms of life in time"

What about natural selection?

Is life on Earth actually getting better? More complex?

Do fossils show a gradual transition of evolving animal kinds?

Some Famous Fossil "Connections" to Evolution

Does the geologic chart prove evolution?

Evolution's New Realms of Reason

Evolution opposes Christianity: There is no compromise

Exploring the Design and Perfection of the Creation

Nature's Chemists

Miracles on Wings

It's what's inside that counts

Marvels from the Deep Blue Sea

Reality Stranger than Fiction

## **Section 3 - Unlocking the Mysteries of Original Man**

Why do people believe that humans evolved from animals?

Where are the missing links?

The Discovery That Rattled All the Other Bones

Is Homo erectus the missing link?

Are cavemen our ancestors?

The Final End of All Supposed "Missing Links"

How long has man been truly human?

What makes man truly human?

Why is this subject the most important battleground of history?

Is there evidence of humans buried by the Great Flood?

Discovering the Dinosaurs

The Mysterious Vanished Giants

What now-extinct animals lived with man in the past?

Could Job have seen these?

Footprints Frozen in Stone

A controversy that provokes professional vandalism?

The Paluxy tracks: the case is still open

More Problematics for the Skeptics  
Can ancient reports of real dragons be taken seriously?  
Where do dragon legends originate?  
Could some dinosaurs still be living?  
More terrible lizards still alive?  
Why did dinosaurs become extinct?  
The Brilliant Glory of Earth's Earliest King  
From Glory to Glory

## **Section 4 - Unlocking the Mysteries of Ancient Civilizations**

What is the truth about man's primitive past?  
What are typical patterns of ancient cultures?  
What were the capacities of original man?  
Is technology a modern innovation?  
How early in man's history did he build cities?  
What are some Genesis examples of early technology?  
Why search out the former age?  
Imagine the accumulation of ancient wisdom over the generations  
What about the spiritual insight of the ancients?  
The heavens declare the glory of God!  
The Real Meaning of the Zodiac  
What's the solution to the puzzle of advanced ancient technology?  
When did civilization begin?  
Do artifacts of pre-Flood technology exist?  
When was the golden age?  
China's Forgotten Connection to Genesis  
Who really discovered the new world?  
Ancient Sea Travel  
Why are ancient pyramids a worldwide phenomena?  
Other Mysteries of the Ancient New World  
How can massive stone blocks be moved?  
China's Incredible Find  
Endless discoveries continue to reveal the truth about ancient man  
Nothing New Under the Sun  
Come see the awesome works of God!
