

## Introduction

---

Welcome to Sonlight's Bible Study Sampler! This book will guide you through the wonders of some of the most powerful portions of the Bible and help teach you how to read the Bible in a more effective way. By following the simple instructions on these pages, you will study two passages from the Old Testament and three from the New every week. You will have the chance to dig into the meaning of various songs, sayings, biographies, prayers, and more. You'll grapple with prophecies related to Jesus, His miracles, teachings and parables. And you'll also pore over key passages from each of the New Testament letters.

What a rich book the Bible is! There is so much we can learn from reading this one book.

We hope this sampler will help you grasp some of the immeasurable treasures of the greatest Book ever written, and by understanding His words, your life will forever be changed. "Great peace have they who love your law, and nothing can make them stumble" (Psalm 119:165).
