

The Church in Oregon City is committed to equipping and empowering the people of God to serve Him in all areas of life, including education. It is our strong desire to see parents diligently seek out all available educational means to raising their children in the "nurture and admonition of the Lord."

We are proud to invite you to our 2011 Christian Schooling Fair.

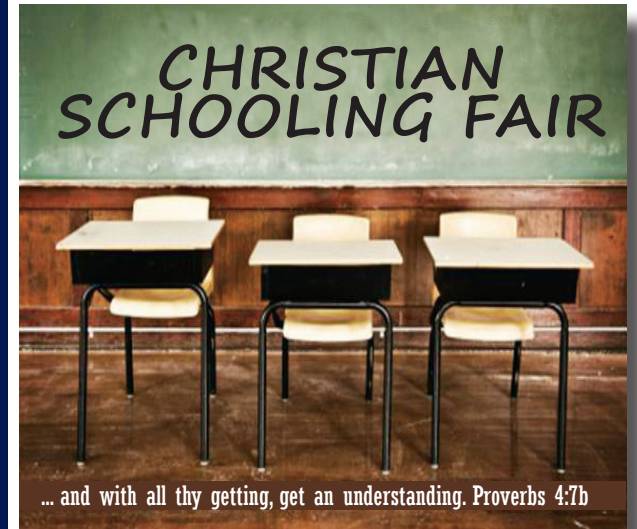

More and more parents are seeking ways to give their children a more distinctively Christian education than is possible in public schools.

Come join us for a motivational presentation by Stephen Williams on the enormous importance of nurturing a Christian worldview in our children.

About the Speaker

Stephen J. Williams, one of the speakers at the 2007 Restore America Conference, is the founder and director of Prepare the Way Ministries. PTW's mission is "to empower Christians with the knowledge and support they need to uphold a biblical worldview in an increasingly secular society."

Stephen spent ten years teaching in the Cupertino Union School District in California. After becoming a Christian in 2001, he became increasingly aware of hostility towards Biblical values in our public schools and culture. He gained national media attention when he was censored by the administration from using primary source documents with Christian references. Surprised by the lack of awareness within the body of Christ about the level of hostility towards a Christian worldview in public schools, Stephen felt led to start Prepare the Way.

Stephen lives in Bend, Oregon with his wife Sarah and their three children. For more information on Prepare the Way Ministries, go to www.preparetheway.cc.

And these words that I command you today shall be on your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise. - Deuteronomy 6:6-7

A common testimony binds all authentic believers in Christ that distinguishes them from other world views. It is our set of beliefs about the most important issues of life. If you desire to see your children educated where their Christian world view will be affirmed, check out the 2011 Christian Schooling Fair in Oregon City. It may be one of the most important life decisions that you will ever make on behalf of your kids. - Pastor Kent Walton, Hilltop Community Church

Are you:

- Seeking God's will for your children's education?
- Committed to Christian education but unsure about the options available to you?
- Concerned about the dangerous moral atmosphere of the public schools?

At the 2011 Christian Schooling Fair, you will:

- Discover resources to help you provide Christian schooling for your child.
- Visit booths with representatives from the leading Christian schools and homeschool groups in our area.
- Hear a motivational presentation by Stephen Williams on the enormous importance of nurturing a Christian worldview in children.
- Meet other like-minded parents and educators.

Parents dare not simply "default" to Public Education! Instead they need to consider what is the best option for raising up their children to walk in the footsteps of Christ. This conference is a fantastic opportunity for parents to explore the Christian based educational options available to them so they can "tailor fit" the very best resources for their family. - Pastor Tom Hurt, Oregon City Evangelical Church

We will not hide them from their children, telling to the generation to come the praises of the Lord, and His strength and His wonderful works that He has done. - Psalm 78:4
