Learn with our friends:

When you see me, I will help your teacher explain the exciting things you are expected to do.

When you do actions with me you will learn how to write, draw, match words, read, and much more.

You and I will learn about matching words, listening, drawing, and other fun things in your lessons.

ANIMALS

Animals, animals,
Everywhere.

From where did they come?
God put them there.

Animals, animals,
Big and small,
From the littlest mouse,
To the giraffe so tall.

Animals, animals,
Wild and tame,
To live and grow,
Their needs are the same.

Animals, animals,
Fly, walk, and creep.
What do they need?
Food, water, and sleep.

Objectives

1. I can tell about some wild animals.
2. I can tell about some farm animals.
3. I can tell about some pets.
4. I can tell what animals need to live and to grow.

I. WILD ANIMALS

Some animals
take care of themselves.
They find water to drink.
They find food to eat.
They find places to sleep.

**Color the puzzle.
Find the word.**

b -blue

r -red

y -yellow

Write the sentence in your Tablet.

Wild animals take care of themselves.

ANIMALS THAT EAT MEAT

Some animals are hunters.
They eat other animals.
The lion is a hunter.

The lion is a big, strong cat.
He has a mane.
The lion can roar.

A baby lion is a cub.
Lions sleep in a den.
Lions drink at a watering hole.
