

# *Exploring Creation With Botany*

## Table of Contents

<b>Lesson 1: Botany</b> .....	<b>1</b>
Latin.....	2
Taxonomy.....	3
What Do You Remember?.....	6
Notebook Activities.....	6
Phyla.....	8
Vascular Plants.....	8
What Do You Remember?.....	9
Nonvascular Plants.....	10
Paper Towel Activity.....	10
Moss.....	11
Seed Homes.....	11
Angiosperms.....	12
What Do You Remember?.....	13
Gymnosperms.....	13
Seedless Vascular Plants.....	14
Nonvascular Plants.....	15
What Do You Remember?.....	16
Notebook Activity.....	17
Project.....	18
<b>Lesson 2: Seeds</b> .....	<b>21</b>
Testas.....	23
Take Off Your Coat!.....	23
What Do You Remember?.....	24
Activity.....	24
Inside the Seed.....	25
Germination.....	26
What Do You Remember?.....	28
Notebook Activities.....	28
Project.....	29
Monocotyledons and Dicotyledons.....	31
Notebook Activities.....	32
Project.....	33

## Lesson 3: Flowers .....35

Even the Flowers Obey.....	37
Making Seeds.....	37
Flower Dissection.....	38
What Do You Remember?.....	39
Flower Families.....	41
Carnivorous Plants.....	43
What Do You Remember?.....	46
Notebook Activities.....	47
Projects.....	48

## Lesson 4: Pollination.....49

Animal Pollination.....	50
Bees.....	51
Creation Confirmation.....	52
A Bee’s Landing Pad.....	53
Creation Confirmation.....	54
Orchid Notebook Activity.....	54
Flower Color.....	56
Nectar Guides.....	57
A Bee’s Ultraviolet Vision.....	58
Getting the Pollen.....	59
Project.....	60
Butterflies.....	61
Moths.....	62
Hummingbirds.....	63
Bat Pollinators.....	64
Notebook Activity.....	64
Wind Pollination.....	64
Why Most Flowers Do Not Self-Pollinate.....	65
Self-Pollination.....	66
The Pollinated Flower.....	67
What Do You Remember?.....	68
Notebook Activities.....	68
Project.....	69

## Lesson 5: Fruits ..... 71

Human Dispersal .....	73
Water Dispersal .....	74
What Do You Remember? .....	75
Wind Dispersal .....	75
Animal Dispersal .....	78
Activity .....	79
Fruit Types .....	81
Notebook Activities .....	83
Project .....	85
Project .....	86

## Lesson 6: Leaves ..... 87

What Do You Remember? .....	89
Photosynthesis .....	89
Color-Fill .....	91
What Do You Remember? .....	92
Notebook Activities .....	92
Transpiration .....	93
Falling Leaves .....	94
Project .....	96
Anatomy of a Leaf .....	96
Simple Leaves and Compound Leaves .....	97
Leaf Arrangement .....	98
Leaf Venation .....	99
Leaf Shapes .....	99
Leaf Margins .....	101
Notebook Activities .....	103
Project .....	106

## Lesson 7: Roots ..... 107

Root Hairs .....	108
Root Growth .....	108
Geotropism .....	111
What Do You Remember? .....	111
Root Systems .....	111
Geophytes .....	112
Rooting .....	113
Notebook Activities .....	114
Project .....	115
Project .....	116

## Lesson 8: Stems ..... 117

Woody and Herbaceous Stems .....	118
Cactus Stems.....	120
Auxins.....	121
Phototropism Activity.....	122
Examples of Phototropism.....	122
Celery Experiment.....	123
Notebook Activities.....	123
Project.....	124

## Lesson 9: Trees ..... 125

The Role of Trees in Creation .....	125
Seed Making.....	127
Tree Growth.....	128
Twig Anatomy.....	129
Notebook Activities.....	129
What Do You Remember?.....	131
Growing Outward.....	131
The Layers in a Tree Trunk.....	131
Thirsty Trees.....	132
Tree Identification.....	133
Notebook Activities.....	134
Project.....	134

## Lesson 10: Gymnosperms ..... 135

Creation Confirmation.....	136
What Do You Remember?.....	137
Softwood.....	137
Evergreen.....	137
Notebook Activity.....	138
Gymnosperm Leaves.....	139
Cones.....	139
Forest Fires.....	141
Berry-like Cones.....	141
What Do You Remember?.....	142
Two Other Interesting Gymnosperms.....	142
Ginkgo Biloba.....	143
What Do You Remember?.....	143
Notebook Activities.....	143
Project.....	144

<b>Lesson 11: Seedless Vascular Plants.....</b>	<b>145</b>
Fronds .....	146
From Spore to Prothallus to Fiddlehead to Fern.....	147
Tree Ferns .....	149
What Do You Remember?.....	149
Notebook Activities.....	149
Projects .....	150
<b>Lesson 12: Nonvascular Plants .....</b>	<b>151</b>
Moss.....	152
Reproduction.....	152
Liverworts.....	154
Lichen .....	154
Pollution Monitors .....	156
Uses for Lichen.....	156
Notebook Activities.....	157
Project.....	157
<b>Lesson 13: Nature Journaling.....</b>	<b>159</b>
Where and When .....	162
Illustrations .....	162
Sketches with labels.....	163
Lists.....	163
Descriptions .....	163
Your Own Poetry or Songs.....	164
Poetry or Songs You Know .....	165
Scripture and Prayer .....	166
Thoughts .....	166
What Do You Remember?.....	166
Project.....	167
<b>Answers to the Narrative Questions.....</b>	<b>168</b>
<b>Index.....</b>	<b>174</b>
