A Note from the Authors tk

How to Use This Book..... tk

Unit One

The Foundations of Physics..... tk

- Unit Objectives..... tk
- Vocabulary..... tk
- Materials Needed tk

Lesson 1: What Physics Is All About..... tk

- Teaching Time: The Facts About Physics tk
- Hands-On Time: Finding Physics in Our World..... tk

Lesson 2: Measuring tk

- Teaching Time: Meaningful Measuring tk
- Hands-On Time: Learning About Measuring tk

Lesson 3: Famous Physicists..... tk

- Teaching Time: Physicists Are Fascinating tk
- Hands-On Time: “Find the Physicist” Word Search tk

Unit One Wrap-Up: Show What You Know! tk

Unit Two

Matter..... tk

Unit Objectives..... tk

Vocabulary..... tk

Materials Needed tk

Lesson 4: The Composition of Matter tk

Teaching Time: Does Matter Matter?..... tk

Hands-On Time: Learn More About Elements tk

Lesson 5: Atomic Physics tk

Teaching Time: Particular Particles tk

Hands-On Time: Building Atomic Models..... tk

Lesson 6: Molecules and Mass..... tk

Teaching Time: Massive Molecules..... tk

Hands-On Time: Building Molecular Models tk

Lesson 7: Solid and Liquid Matter tk

Teaching Time: Slow Solids and Lively Liquids tk

Hands-On Time: Determining the Volume of a Solid..... tk

Lesson 8: Gases..... tk

Teaching Time: Goofy Gases tk

Hands-On Time: Testing Charles’s Gas Law..... tk

Lesson 9: Change in States of Matter..... tk

Teaching Time: Some Statements About States..... tk

Hands-On Time: Evaluating the Freezing Point of Salt Water..... tk

Unit Two Wrap-Up: Show What You Know!..... tk

Table of Contents

Unit Three

Mechanics tk

Unit Objectives..... tk

Vocabulary..... tk

Materials Needed tk

Lesson 10: Force..... tk

Teaching Time: Feel the Force..... tk

Hands-On Time: Measuring the Magnitude of Force..... tk

Lesson 11: Gravity tk

Teaching Time: Gravity Is Great..... tk

Hands-On Time: Testing Gravity tk

Lesson 12: Work..... tk

Teaching Time: No Worries About Work tk

Hands-On Time: Force, Gravity, and Work Word Search tk

Lesson 13: Friction..... tk

Teaching Time: Getting Stuck on Friction..... tk

Hands-On Time: Changing the Coefficient of Friction..... tk

Lesson 14: Energy..... tk

Teaching Time: Don’t Run Out of Energy..... tk

Hands-On Time: Turning Gravitational Potential Energy
into Kinetic Energy..... tk

Unit Three Wrap-Up: Show What You Know! tk

Unit Four

Matter in Motion..... tk

Unit Objectives..... tk

Vocabulary..... tk

Materials Needed tk

Lesson 15: Motion in a Straight Line tk

Teaching Time: Moving On tk

Hands-On Time: Figuring Out Average Speed tk

Lesson 16: Motion in a Circle

Teaching Time: Moving Around tk

Hands-On Time: Calculating Bicycle Wheel Speed. tk

Lesson 17: Newton's Laws tk

Teaching Time: Newton Knew the Laws tk

Hands-On Time: Motion Word Search. tk

Lesson 18: Projectile Motion tk

Teaching Time: Projectile Possibilities tk

Hands-On Time: Plotting Trajectories. tk

Lesson 19: Momentum tk

Teaching Time: A Moment with Momentum tk

Hands-On Time: Bowling with Momentum. tk

Unit Four Wrap-Up: Show What You Know! tk

Unit Five

Energy in Motion tk

Unit Objectives tk

Vocabulary. tk

Materials Needed tk

Lesson 20: Electromagnetic Energy. tk

Teaching Time: Catch the Wave tk

Hands-On Time: Discovering Examples of Electromagnetic Energy tk

Table of Contents

xi

Lesson 21: Radio and Television tk

Teaching Time: What’s On? tk

Hands-On Time: Find the Frequency tk

Lesson 22: Light and Color tk

Teaching Time: A Bright Idea tk

Hands-On Time: Color Mixing and Painting. tk

Lesson 23: X-rays tk

Teaching Time: What’s Inside? tk

Hands-On Time: X-ray Word Search tk

Lesson 24: Heat. tk

Teaching Time: Get Warmed Up. tk

Hands-On Time: Warming Things Up with Friction. tk

Lesson 25: Sound tk

Teaching Time: Did You Hear That? tk

Hands-On Time: Sound Collection tk

Lesson 26: Music tk

Teaching Time: The Sound of Music tk

Hands-On Time: Listen to Classical Music tk

Unit Five Wrap-Up: Show What You Know!. tk

Unit Six

Electricity and Magnetism. tk

Unit Objectives. tk

Vocabulary. tk

Materials Needed tk

Lesson 27: Electricity tk

Teaching Time: Get a Charge Out of Electricity. tk

Hands-On Time: Electricity Word Search tk

Lesson 28: Electric Current tk

Teaching Time: What’s in That Wire? tk

Hands-On Time: Discovering Ways We Use Electricity tk

Lesson 29: Magnetism tk

Teaching Time: Getting Attracted to Magnetism. tk

Hands-On Time: What Can a Magnet Attract? tk

Lesson 30: Earth’s Magnetic Field tk

Teaching Time: Don’t Forget Your Compass. tk

Hands-On Time: Make a Compass. tk

Unit Six Wrap-Up: Show What You Know! tk

Glossary tk

Coloring Pages tk

Appendices

Appendix A: Book and Resource List tk

Appendix B: “Review It” Answer Key tk

Appendix C: Unit Wrap-Up Answer Key tk

Index tk

About the Authors tk
