For added durability have the cards laminated at your local photocopy center.

CREATIVE IDEAS:

- Use the flash cards to play, “Go Fish.”
- Take your flash cards on long car trips or even on the way to soccer practise.
- Play “Memory” (with the Latin cards matching up with the English translations).
- Tape a set of the flash cards around the house on household objects (liber = book) and practise your Latin while going about life.
- Come up with your own creative ideas!
