

*Latin for Children,
Primer C, English*
FLASH CARDS

INSTRUCTIONS:

Print the Latin flash card deck (on regular paper or card stock), then flip the paper over in your printer, print the English flash card deck. If printed correctly, the cards will match with the Latin vocabulary on one side of the card and the English translation on the reverse side. For added durability have the cards laminated at your local photocopy center.

CREATIVE IDEAS:

- Use the flash cards to play, “Go Fish.”
- Take your flash cards on long car trips or even on the way to soccer practise.
- Play “Memory” (with the Latin cards matching up with the English translations).
- Tape a set of the flash cards around the house on household objects (liber = book) and practise your Latin while going about life.
- Come up with your own creative ideas!
