## TEACHER NOTE

For those of you who are following the suggestions for teaching this as a one-semester course (90 days), this unit marks the end of your study. Please take the time to have the students fill out a Course Evaluation survey. It would also be greatly appreciated if you fill out the survey as well. This process is vital for the continuing improvement of this curriculum. Many of the current activities and suggestions in Summit's curriculum have come from teachers like yourselves. Likewise, student feedback is also important for evaluating the quality of the material. If you have more in-depth suggestions or feedback that you would like to pass on, please contact the curriculum department at [lb@summit.org](mailto:lb@summit.org) or 888-638-9772.
