

Earlybird Mathematics 1B

Contents

Lesson 1

- Recognition of solid shapes

Lesson 2

- Reading and writing of numerals

Lesson 3

- Cardinal numbers: counting and sorting according to color, shape and length

Lesson 4

- Reading and writing of numerals

Lesson 5

- Counting and writing of numerals

Lesson 6

- Reading and writing of numerals

Lesson 7

- Arranging numbers in sequence

Lesson 8

- Counting and writing of numerals

Lesson 9

- Understanding the concept of the empty set
- Counting backwards from 10 to 0

Lesson 10

- One-one matching to find the set which has more
- Picture graphs

Lesson 11

- Even and odd numbers within 10

Lesson 12

- Counting in twos

Lesson 13

- Time sequence

Lesson 14

- Matching events to day-time or night-time

Lesson 15

- Recognizing ordinal numbers

Lesson 16

- Becoming aware of shapes and patterns

Lesson 17

- Recognizing open and closed curves
- Recognizing circles, their shapes and the patterns they make

Lesson 18

- Recognizing triangles, squares, rectangles and circles
