## Learn with our friends:

When you see me, I will help your teacher explain the exciting things you are expected to do.

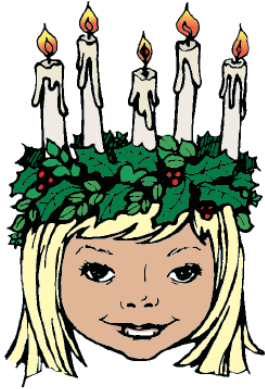

When you do actions with me, you will learn how to write, draw, match words, read, and much more.

You and I will learn about matching words, listening, drawing, and other fun things in your lessons.

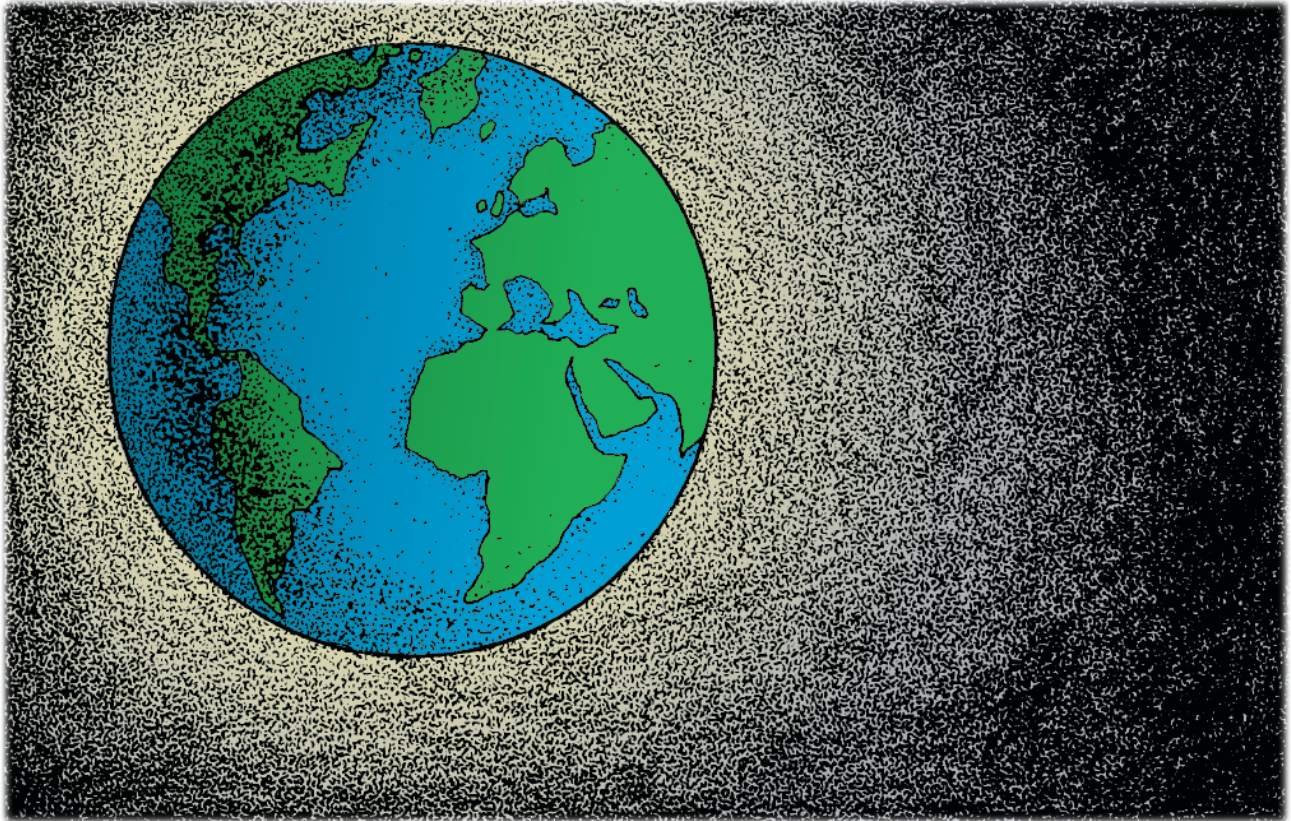

# I LIVE IN THE WORLD

The world is filled with people.  
God makes everyone different.  
In some ways everyone is alike.  
You will read how people are different.  
You will read how people are alike.

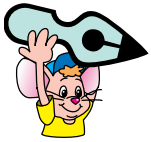

## OBJECTIVES

1. I can tell about a globe.
2. I can tell ways all people are alike.
3. I can tell ways all people may be different.
4. I can tell how people live in Japan and Mexico.

## **I. THE WORLD AROUND US**

Our world is very big.  
It is called Earth.  
It has land and water.  
God made the earth for us.  
Let's find out  
what the earth looks like!

Write yes or no.

God made the world for us.

\_\_\_\_\_
-----
\_\_\_\_\_

All people are the same.

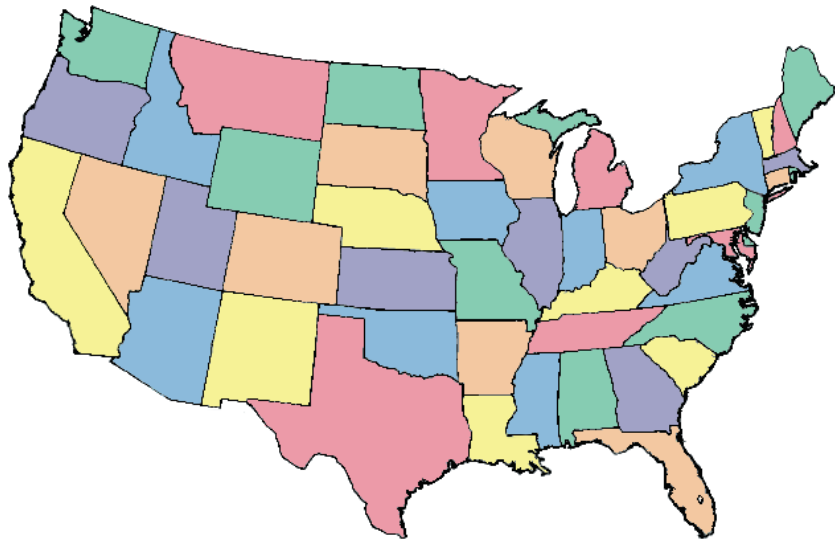

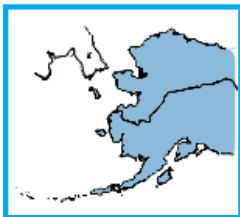

\_\_\_\_\_
-----
\_\_\_\_\_

People live all over the world.

\_\_\_\_\_
-----
\_\_\_\_\_

Place an X on your state.

I live here.

## **THE GLOBE**

The children are looking at a globe.

A globe is round.

It shows us what the earth  
looks like.

It shows where there is land and  
where there is water.
