CARING FOR OUR NEIGHBORHOODS

When God made the world, the Bible tells us that God looked at it and saw that it was good. But things have changed. Now many things are not so good. When man sinned, God's perfect world was not perfect anymore. This LIFEPAC® will tell you about God's world and what happened to it. You also will learn ways that you and your family and friends can help to take care of your neighborhood. Caring for your neighborhood helps show your love for God and His world.

Read these objectives. They will tell you what you will be able to do when you have finished this LIFEPAC.

1. You will be able to tell what God made the world like.
2. You will be able to tell why the world is not perfect anymore.
3. You will learn about different kinds of pollution.
4. You will be able to tell how everyone can work together to help make your neighborhood and the world better.
