PEOPLE DEPEND ON EACH OTHER

We are each in a family. Each person in the family needs the others. We help care for our family, too. God wants us to be part of His family. He cares for us, too.

In this LIFEPAK® you will learn that people in a family help each other. Each neighborhood helps other neighborhoods. This happens all over the world. Neighbors help neighbors all over the world.

God wants us to be good helpers. God wants you to take care of your family and your neighborhoods. God loves you and wants you to be part of His family.
