Learn with our friends.

When you see me, I will help your teacher explain the exciting things you are expected to do.

When you do actions with me, you will learn how to write, draw, match words, read, and much more.

You and I will learn about matching words, listening, drawing, and other fun things in your lessons.

Follow me and I will show you new, exciting truths, that will help you learn and understand what you study. Let's learn!

YOU

You are one of millions of people. You were made by God. All people are made by God. In the book of Genesis in the Bible, we are told that God made man. Look around you. Can you see how people are the same? Can you see how people are different? People come in different sizes, shapes, and colors. They do not all do the same things. They do not like the same things.

You will learn how people are the same, and how they are different. You will learn why God made you a part of a family.

You will also learn to take care of God's gift— you.

Objectives

Read these objectives. They will tell you what you should be able to do when you have finished this LIFE PAC®.

1. You will be able to name four things that are the same about all people.
2. You will be able to name the pictures that show bones, muscles, organs, and skin.

3. You will be able to tell why bones, muscles, organs, and skin are important.
4. You will be able to name two things that are different about all people.
5. You will be able to explain why God made you part of a family.
6. You will be able to name three things all people need to live.
7. You will be able to identify the Food Pyramid.
8. You will be able to list how many helpings from each level of the Food Pyramid you need each day.
9. You will be able to list good health habits.

NEW WORDS

adult (a dult). A person who is fully grown.

bone. A hard part inside your body.

brain. The organ inside your head used for thinking.

connect (con nect). To join together.

daily (dai ly). Every day.

exercise (ex er cise). To move muscles to grow strong.

favorite (fa vor ite). The thing or person you like best.

Food Pyramid (food py ra mid). A chart listing what kinds of foods are healthy.

group. A set of the same things.

habit (hab it). Doing the same thing so many times that you can do it without thinking about how to do it.

healthy (health y). Feeling well.

heart. The organ that sends blood through your body.

idea (i de a). Thought or picture in your mind.

identical (i den ti cal). The very same.

important (im por tant). Means much to you.

joint. The place where bones are joined together.

likeness (like ness). Looking the same as another person or thing.

muscle (mus cle) A soft part of your body that helps you move.

organ (or gan). A part inside your body that does a certain job.

pore. A very small opening in your skin.

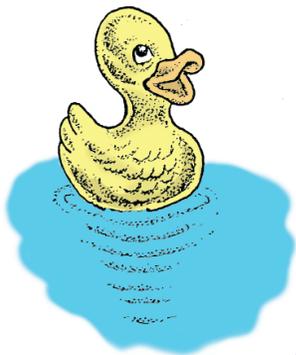

protect (pro tect). To take care of.

skin. The outer covering of the body.

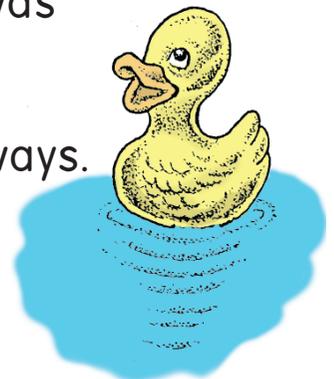

stomach (stom ach). Part of your body where food goes after it is chewed.

These words will appear in **boldface** (darker print) the first time they are used.

I. YOU ARE LIKE OTHER PEOPLE

People are made by God.
Look over the whole earth and
you will not find one person who was
not made by God.
The first person was Adam.
God made all of us alike in some ways.

WORDS TO STUDY

bone		A hard part inside your body.
brain		The organ inside your head used for thinking.
connect	(con nect)	To join together.
exercise	(ex er cise)	To move muscles to grow strong.
