Using This Teacher Guide

Features: The suggested weekly schedule enclosed has easy-to-manage lessons that guide the reading, worksheets, and all assessments. The pages of this guide are perforated and three-hole punched so materials are easy to tear out, hand out, grade, and store. Teachers are encouraged to adjust the schedule and materials needed in order to best work within their unique educational program.

Lesson Scheduling: Students are instructed to read the pages in their book and then complete the corresponding section provided by the teacher. Assessments that may include worksheets, activities, quizzes, and tests are given at regular intervals with space to record each grade. Space is provided on the weekly schedule for assignment dates, and flexibility in scheduling is encouraged. Teachers may adapt the scheduled days per each unique student situation. As the student completes each assignment, this can be marked with an “X” in the box.

Approximately 30 to 45 minutes per lesson, four to five days a week

Includes answer keys for worksheets and quizzes.

Worksheets for each section

Quizzes are included to help reinforce learning and provide assessment opportunities

Designed for grades 4 to 6 in a one-year course

Supports activity-based learning

Course Objectives: Students completing this course will

- ✓ Discover the language journey began just over 4,000 years ago at the Tower of Babel
- ✓ Learn of a huge slab of limestone in Bolivia that has some 5,000 dinosaur footprints
- ✓ Study amazing wonders of God’s creation, including longest rivers, tallest mountains, and more
- ✓ Investigate interesting factual details concerning Christian explorers, missionaries, and history makers
- ✓ Explore the design of ecosystems and biomes, great civilizations, and discoveries found around the world
- ✓ Identify geographic features and how these were formed by the Flood, plus other details of God’s amazing design

Course Description

Students will travel the world in the comfort of their own homes. Through this *Elementary Geography & Cultures* course, students experience a wondrous global journey within the pages of two God-honoring books, encountering places and people from around the world. Students will gain knowledge of intriguing facts about countries, including their capital cities, maps, flags, populations, and religions. The course is packed with unique insights into Christian history makers and amazing landmarks, as well as global recipes. It glorifies God, explores His creation, and honors His followers around the world. Included are outline maps and facts regarding the seven continents, as well as detailed maps and data of the featured countries. The comprehensive information provided for each focus country will bring to light their culture and traditions, holidays, exploration, legal system, and economic industries, as well as missionary accounts and other material to help students connect to people from regions around the globe.

All worksheet and quiz answers can be written underneath the questions, especially if a student likes to write big!

Note: The French language section was originally focused on France in *Passport to the World*. In the revised version, the country focus is now Canada though both are included on the worksheet.

8. Noah’s ark came to rest on the mountain range of _____ in Armenia.
9. A restaurant in Armenia that serves sandwiches and coffee is called a _____.
10. The Armenian language borrowed Greek, Persian, Russian, and _____ words.

Activities

Color in the flag of Armenia.

Make some gata with your teacher.

Dough

1 tablespoon dry yeast
1 cup sour cream
1 cup unsalted butter
1 egg
1 tablespoon vegetable oil
1 tablespoon vinegar
3 cups sifted all-purpose flour,
plus ½ cup flour, for kneading

Filling

1 cup butter, melted
2 cups sifted all-purpose flour
1¼ cups sugar
½ teaspoon vanilla

Glaze

2 egg yolks, beaten
1 teaspoon yogurt

Directions:

1. In a mixing bowl, combine the yeast with 1 cup sour cream; set aside for 10 minutes. Add butter and mix well. Add the egg, oil, and vinegar and mix well. Add the sifted flour gradually and continue mixing. Knead dough for about 15 minutes until smooth and firm so that it does not stick to your hands. Gather dough into a ball and cover with plastic wrap. Refrigerate the dough overnight. To make the filling, mix together 1 cup of the melted butter and 2 cups flour. Add 1¼ cups sugar and ½ teaspoon vanilla; stir constantly for 1 minute, so that the mixture does not stick to your hands and becomes smooth and even. Set aside.
2. Preheat oven to 350°F. Remove dough from the refrigerator; divide it into 8 equal balls. Place each ball on a lightly floured board. Roll each ball out to a rectangle measuring 10 by 6 inches, or as thin as possible with the aid of a rolling pin. Paint each rectangle with melted butter. Spread ¼ cup filling into the center of each rectangle and roll out the filling over it with the aid of a rolling pin. Fold in about ½ inch of the rectangle on each side. Roll up dough into a cylinder. Place rolling pin on pastry roll and flatten slightly lengthwise. Cut the roll diagonally with a sharp knife or serrated knife into 2-inch equal slices. Place pastry about 2 inches apart on a lightly floured baking pan. (Be careful not to spill out any filling.)
3. Paint the surface of each pastry with the glaze (mixture of beaten egg). Place baking pan in the oven and bake for 15 to 30 minutes, or until golden brown. Remove the baking pan from oven and allow the pastries to cool.
