GREEN EGGS AND HAM

Growing Greens

Supplies:

- | | |
|---|---|
| <input type="checkbox"/> 1 new (cheap) kitchen sponge | <input type="checkbox"/> popsicle stick |
| <input type="checkbox"/> scissors | <input type="checkbox"/> quick-sprouting seeds
(water cress / alfalfa) |
| <input type="checkbox"/> permanent marker | <input type="checkbox"/> 9" x 13" pan |
| <input type="checkbox"/> water | |

Teacher Guidelines:

1. With scissors, cut a free-hand egg shape from the sponge. Discard scraps.
2. Use the permanent marker to write the child's name on the back of the sponge.
3. Let the child soak the sponge in water, and gently squeeze out excess water.
4. Use the popsicle stick to gently spread the seeds out onto the wet sponge, one side only.
5. Keep the sponge moist by dropping a little water around it daily (not on seeds) and place in a sunny spot. The seeds should sprout in a couple of days.

THE HOUSE THAT JACK BUILT

Paper House-Building

Supplies:

- | | |
|--|--|
| <input type="checkbox"/> construction paper: | <input type="checkbox"/> sheet of white construction paper |
| 1 red square – 6" | <input type="checkbox"/> glue |
| 1 blue triangle – 7" long at the bottom | <input type="checkbox"/> crayons |
| 2 yellow squares – 1" | |
| 1 yellow circle – 1" | |
| 1 green rectangle – 2" x 3" | |
| 1 orange rectangle – 1" x 2" | |

Teacher Guidelines:

1. Each child is to begin with their red square, gluing it toward the bottom of their white construction paper.
2. Next they should glue on their roof (triangle), door (orange rectangle), windows (yellow squares), door window (yellow circle), and chimney (green rectangle).
3. They can decorate the house or surroundings with crayons.
